Dear Mr. Chandler:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Contributions from individuals and persons other than political committees must be itemized if the aggregate total from the contributor exceeds \$200 in an election cycle. This means that the committee does not have a reporting requirement of a contribution until the aggregate total exceeds the \$200 threshold. (2 U.S.C. §434(b)(3)) Should a committee wish to disclose contributions that do not require itemization, it must do so on a separate Schedule A and report the total amount of unitemized contributions on Line 11(a)(ii) of the Detailed Summary Page information. (11 CFR §104.3(a)(4)(i))

Any amendment or clarification should be filed with the Federal Election Commission. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division), our local number is (202) 694-1130.
